Jack Henry™
cobalt awards

Instructions for Entry Submission

1. **Review all rules, regulations, and entry criteria** at jackhenry.com/cobalt-awards before completing and submitting the entry form.

2. **Fill out the form** in its entirety, using a form-compatible application (we suggest Adobe Reader).

3. **Save the form as a PDF** file type, using this naming convention: "Integrator-FintechName-Entry1.pdf."

   Do not use ampersand symbols in your filename. If you submit more than one entry per category, name them sequentially (i.e. Entry2, Entry3).

4. **Email the completed form** to cobaltawards@jackhenry.com using the subject line: Integrator - Fintech Name - Entry 1.

The Integrator award recognizes fintechs who are bridging the gap between service and technology delivery, streamlining transaction processing, and helping to improve accountholder experiences and the financial health of consumers and businesses.

submission window

March 1 – May 12
12 a.m. EST

All submissions must be received in this window to be eligible for judging and will be disqualified from consideration if information is deemed inaccurate or incomplete.

essay-style questions

We want to learn what your fintech brings to the table! Please tell us what your fintech offers, how it integrates within the Jack Henry ecosystem (e.g., the Banno Digital Toolkit™, open APIs), how your integration was made possible (including when the integration took place and what your experience was like), and how long your solution has been on the market. *(300 words or less)*

How have you bridged a gap between financial institutions and the audiences you serve (e.g. banks or credit unions, accountholders) to solve their needs while improving the user experience of the people who work at or transact with financial institutions? *(300 words or less)*

How is your fintech helping to improve the financial health of consumers and/or businesses? Please share any metrics, stats, or measurable impact. *(200 words or less)*

Why should your fintech receive "The Integrator" award? *(200 words or less)*

(Optional) Please provide any additional supporting details about your entry. *(50 words or less)*

(Optional) If you have additional supporting materials to supplement your entry form, please include URL links to those materials here:
